How do I know if I have an existing water license?

You can check existing licences using the Water Licence Search tool if you have previously purchased or applied for a water license. This helps confirm whether a licence is already attached to the property and what it authorizes, including the water use purpose and quantity.

You can find the tool here:

https://j200.gov.bc.ca/pub/ams/Default.aspx?PossePresentation=AMSPublic&PosseObjectDef=o_ATIS_DocumentSearch&PosseMenuName=WS_Main
