Other authorizations

Cut timber land:

To cut timber on the Crown Land you may require an Occupant Licence to Cut. Check out the website of the forest district responsible for more information or contact them if you have any questions.

Open fire to burn timber or other materials?

Please check the Wildfire Management Branch website (http://bcwildfire.ca/hprScripts/WildfireNews/Bans.asp) to learn more about your responsibilities. Check the 'Guides to Open Burning' for the appropriate fire category here: http://bcwildfire.ca/Situation/Glossary.htm. A Category 3 Open Fire will require a burn registration number (http://bcwildfire.ca/Restrictions/ResourceMgmt.pdf). More information can also be provided by the Burn Registration line at 1-888-797-1717.

Potable Water to consumer?

The Drinking Water Protection Act and the Drinking Water Protection Regulation describe the responsibilities of the water supplier, which include supplying potable water to consumers, disinfecting surface water and preparing an emergency response plan. The Health Authorities' drinking water Officers are responsible for providing the oversight to ensure compliance and drinking water safety.
